Background information:

Union of Cameroon Futnet (UCF) was created on 7 April 2012 in Yaoundé and obtained its official recognition as a legal entity on 13 June 2012.

The association has already organised a seminar for referees. 1st official futnet tournament in Cameroon was held on Saturday, 4 August 2012 in the city of Mfou. The competition was organised in Men single event and Men double event with the participation of 22 players and 12 referees.

First UCF futnet magazine was published in autumn.

First coaches course was organised on 17 November and it focused on youth coaches. On the same day, the referees who were trained on 4 August did also a course on youth games refereeing. All this was to prepare the youth competition which will take place on 25 November in Yaoundé. The name of this challenge cup is "Junior Olympic Tournament 2". Photos from August and November events are on Futnet World facebook.

In September UCF was approved by UNIF Executive Committee as a Provisional Member of UNIF.
